DETAILED ACTION

Examiner's Amendment.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Since the applicant elects to prosecute claims 1-6 without traverse, non-elected claims 7-18 are cancelled.

Reason for allowance

2. Claims 1-6 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed MEMORY DEVICE STRUCTURE WITH COMPOSITE BURIED AND RAISED BIT LINE having:

--" a substrate; a gate oxide layer disposed on a portion of the substrate; a gate disposed on the gate oxide layer, wherein the gate and the gate oxide form a gate structure; a buried bit line disposed in the substrate along both sides of the

gate; a raised Line disposed on the buried bit line; a spacer disposed on both sidewalls of the gate structure, thus electrically isolating the gate and the raised line, wherein a top of the raised line is lower than a top of the spacer; a word line disposed on the gate in a direction perpendicular to the buried bit line; and an insulation layer disposed on the top of the raised line to electrically isolate the word line and the raised line. " --

In claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
